

Section 1 - HEALTH and SAFETY POLICY

1.1 GENERAL STATEMENT OF POLICY

My policy is to provide and maintain safe and healthy working conditions, equipment and systems of work for our employees, and to provide such information, training and supervision as they need for this purpose. I also accept my responsibility for the health and safety of other people who may be affected by our activities.

The allocation of duties for safety matters and the particular arrangements, which I will make to implement the policy, are set out in this document.

This policy will be kept up to date, particularly as the business changes in nature and size. To ensure this, the policy and the way in which it has operated will be reviewed at least annually.
